SMART CLUB BOARD MEETING
FEBRUARY 13, 2010
BLUE DOLPHIN RESTAURANT

Mike (KD8GTX) opened the meeting. He suggested that the board meetings be scheduled only if we have the need.

John (KC8ZTJ) reported that we do not need the second phone line since we have an internet connection. Bob (K8LR) moved to discontinue the second phone line and it was supported by John (KB8ZVV). The motion passed.

Jack inquired if the controller has mail box capability for all members. Ron said that it does. Ron needs a list from the old controller to compare. Ron will send commands for "message" for the new controller to John Mathieson to test the feature.

Mike closed the meeting. The next general membership meeting is March 13.
